We did not publish a flash this month due to the temporary incapacity of the editor/publisher. **We are, however, going to suspend the publication of the Flash due to member organizations reluctance to send in Alumni news to the Flash. All member organizations have been requested to send in news. For example, the news for the February Flash should have been sent in by January 31st. For those members who planned to attend the February meeting, it would have been the news to be presented at the February meeting. You did not, however, have to have plans to attend the February meeting to send in news about your Alumni. The purpose of the Flash when it was started was to provide a meeting notice and Alumni news for those who could not attend the meetings. A meeting notice can be put out on a one page notification as is done here. *We would be interested in hearing from the member organizations as to their reasons for not submitting news for publication.***

We received news from only one member association for February:

Brenham. January is our month for “getting ready”. The Board has made plans for 2007 and the calendar has been set. There will be many fun activities this year. Class 21 started on January 25th with 31 members. This is a really big class and the members are very “gung ho” about the next 12 weeks. The first night a BBQ sandwich meal was provided and the class met the officers, got acquainted with the members of the class, reviewed the history of the Brenham Police Department and previewed the activities of the weeks to come. The Citizens on Patrol had their Awards Banquet on January 30th at Nueces Canyon Ranch. A brisket meal was enjoyed by all. This was followed by awards for the 50+ Club, the 100+ Club and COP of the Year. Each COP member received recognition for their participation with either a certificate, plaque, keychain or shirt.
