

NASA Parkway which was formerly called NASA Rd 1, parallels Pennsylvania about 1000 feet to the north (off the left side of this image)

NASA Rd 1, also referred to as the NASA Bypass, is a direct freeway link to and from the northbound Interstate 45, and is to the south. (off the right side of this image)

Recommended routes:

- **IH-45 from Houston:** Take exit 25, NASA Rd 1; then exit to Hwy 3; turn left onto northbound Hwy 3 to Pennsylvania, just past the city hall to the PD.
- **IH-45 from Galveston county:** Take the first Webster exit and turn right just past Fry's to enter NASA 1; then immediately exit for Hwy 3; turn left onto northbound Hwy 3 to Pennsylvania, just past the city hall to the PD.
- **From Friendswood via FM 528:** Continue east under IH-45; FM 528 becomes NASA Parkway; continue towards Hwy 3 but turn right just past the school playground onto S. Austin or S. Houston to Pennsylvania.
- **From Seabrook:** Take NASA 1/NASA Parkway to Webster, but do not continue on NASA 1 after the overpass, instead exit just after the FM270 overpass (will be marked as Water St/Hwy 3/Sarah Deel); proceed on NASA Parkway to turn left on Hwy 3; proceed south on Hwy 3 to Pennsylvania; right for a block to the PD.
